Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Molly Anderson returns home to a town she doesn't remember, hoping it will spark a memory. She meets Trent Williams, a Ridge City police detective, and something else definitely sparks. Not only does he know her, Trent takes on her case and promises to do everything he can to solve it. He wants to know why she left town, with her parents, but without a word to anyone. She doesn't remember that life. She can only tell him she knew her parents briefly before they died . . . or were murdered, she's not sure. She hopes regaining her memory will help answer that question. Trent has his own secrets, but they have a mystery to solve. As they work together, and Molly meets their old friends, she realizes her relationship with Trent went deeper than memories. In fact, she grew up in Ridge City, even though her parents had said they lived there just a few years. How could she have forgotten her lifelong friend and love? Has he really been looking for her-waiting for her-for the last four years? Can she love him again if she doesn't remember him? There's also the possibility that she did something awful -and maybe that's why she's afraid to remember her old life. Molly knows she wants Trent now, but the truth might destroy their love.
