Nate Ferrentino and Rachel Jessop are operatives for Department 6, a private security company, and they're going undercover to expose a new and dangerous cult. This group has taken up residence in the Arizona desert, in a ghost town called Paradise. Members worship at the feet and in the bed of its charismatic leader, Ethan Wycliff. On his orders, they tried to stone a woman to death. And they're implicated in the disappearance of a teenage girl. To expose the Church of the Covenant, with its arcane rituals and debauched practices, Nate and Rachel must pretend to be married. That's the only way they can get in but being Nate's wife is the last thing Rachel wants. She and Nate have a one-night history that's just an embarrassment to her now. But they don't have a choice. Wycliff has to be stopped.
