

Experience Psychology (2nd Revised edition)

By Laura A. King

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Experience Psychology (2nd Revised edition), Laura A. King, Do you want your students to just take psychology or to experience psychology? "Experience Psychology" is a complete learning system that empowers students to personally, critically, and actively experience the impact of psychology in everyday life. "Experience Psychology" is about, well, experience - our own behaviors; our relationships at home and in our communities, in school and at work; and our interactions in different learning environments. Grounded in meaningful real-world contexts, Experience Psychology's contemporary examples, personalized author notes, and applied exercises speak directly to students, allowing them to engage with psychology and to learn verbally, visually, and experientially - by reading, seeing, and doing. With the "Experience Psychology" learning system, students do not just "take" psychology but actively experience it. Experience a Personalized Approach: How many students think they know everything about introductory psychology but struggle on the first exam? LearnSmart, McGraw-Hill's adaptive learning system, pinpoints students' metacognitive abilities and limitations, identifying what they know - and more importantly, what they don't know. Using Bloom's Taxonomy and a highly sophisticated "smart" algorithm, LearnSmart creates a personalized, customized study plan that's unique to...
