Abingdon Press, United States, 2015. Paperback. Book Condition: New. Student. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.In our media-saturated world, images and messages about appearance, love, and romance bombard teenagers daily. These often unrealistic and unhealthy representations of the normal teen life can be confusing to teenagers as they attempt to follow Christ. Inside Out challenges the values of the world and affirms that our real value begins in understanding that we have a God who loves us. Over the course of the study, teenagers will learn to see themselves and how they live as a reflection of the spiritual life happening deep inside their hearts and minds. This study isn't designed to give answers about holiness, forgiveness, humility, and giving thanks as much as it is designed to challenge youth to resolve to develop those character traits from the deepest part of their beings and outward into the world. The Groove: Inside Out Student Journal will challenge youth to consider their own core character and learn to make choices that are consistent with their faith. The Groove Bible study series invites teens to learn the essentials of their faith, own their story, and engage the world in serving Jesus. Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face. With up to 48 weeks available, Groove is great for Sunday and mid-week gatherings for both large and small groups as well as retreats. The student journal contains session-specific questions, background information, and daily devotions for each session.
