

## Ben Franklin: His Wit and Wisdom from A-Z (Paperback)

---

By Professor Alan Schroeder

Holiday House, United States, 2012. Paperback. Book Condition: New. John O'Brien (illustrator). 249 x 241 mm. Language: English . Brand New Book. Benjamin Franklin devised armonicas and bifocals, helped bring us the Constitution and signed the Declaration of Independence, and even experimented with electricity and invented the Franklin stove. He amassed enough noteworthy accomplishments to cover the entire alphabet from A to Z. This nontraditional tribute has information about a Founding Father who was as amusing as he was amazing.

### Reviews

*A must buy book if you need to add benefit. It is actually written in basic phrases and never difficult to understand. I found out this book from my dad and I advised this publication to find out.*
