Evolved Publishing presents J.W. Zulauf s debut novel, the first in The Balderdash Saga, a series of lower grade fairytales with a slightly dark edge. [For Readers 6-10 Years Old] Princess Scarlet is on a journey to find true love, but a malevolent force, Maleer, is in the process of dethroning her father, King Hurlock. Maleer intends to rule the underground kingdom of Balderdash, build an army, and break through the ground to invade the land of the living. As Scarlet runs out of options to save those that matter most, she is forced to make decisions that will determine the fate of her entire kingdom. Meet many friends, and a couple foes, on your visit to Balderdash. Whether you re searching for true love with Princess Scarlet, or fighting for honor with Roland, the pirate knight, there is something for every reader within this coffin tale. Be sure to check out the second book in this series, The Prince s Plight.
