

Great Growing Up: Being Responsible for Humanity's Future (Paperback)

By John E. Renesch

Hohm Press, U.S., United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English. Brand New Book. The Great Growing Up is about an urgent collective choice: to opt for responsible adulthood over the largely adolescent ways we have been relating to one another and our planet Earth. The author demonstrates that it is not too late to create the future we all say we want for our children and our children's children--a future that is environmentally sustainable, spiritually fulfilling and socially just. . This book is about a change of thinking that supports a paradigm shift--from adolescent self-centeredness to adult responsibility for all life forms. Anyone willing to genuinely grow up can make this necessary choice. Ever-increasing numbers of individuals today are already seeking self-actualization, growing in consciousness, and willing to take on leadership roles in bringing about the first conscious evolution of our species. This represents a somewhat invisible global movement of historic proportions. The Great Growing Up invites anyone concerned with humanity's future to participate in this new thinking. The work of growing up is not primarily about political action--it requires no government funding, no special trainings. The work is about a change...
