Stretching southward from the St. Lawrence, including the noble expanse of lake Champlain and the perfect beauty of lake George, and westward over the wilderness of forest, lake and mountain, where can be found a more delightful variety of landscape? Beautiful as it is to the lover of nature, this region possesses, for the student of our early history, a peculiar interest. For here it was that European explorers first came in contact with the North American aborigines; and here for nearly two centuries was waged that ceaseless warfare between the white man and the red, the narrative of which is the most thrilling and romantic story of our colonial period. Here came the chivalrous Champlain, foremost to penetrate its wilds; and in the paths broken by him and his hardy followers, trod the Jesuit Fathers, carrying the mission of the Cross to the Indian.
