Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Selected Articles on Single Tax: Debater s Handbook Series This Handbook conforms to the general plan of the Debaters Handbook Series in its adaptation to the needs of the seeker for general information as well as for the debater. In arrangement it follows the customary sequence of brief, bibliography, general, affirmative and negative reprints. For the brief the compiler is indebted to Mr. Leo Jones, of the Bureau of Debate and Discussion, University of Washington, Seattle. Bibliography of the subject is meager, though there is an immeasurable literature, much of which is not itemized in the Handbook because it is comprehended in the publications of the Joseph Fels Fund, and those of temporary agencies for defeating tax legislation. The bibliography is made up largely of literature that will set the subject squarely before the average citizen s mind, though the economic student of the abstract theory of taxation has not been ignored. Students are advised to make use of the Fels Fund publications, the numbers of the Public, and the Single Tax Review, and the publications of the following societies: Equitable Taxation League of Missouri, St. Louis. William Preston Hill. American Single Tax League, 27 Union Square, New York City. C. H. Ingersoll. Washington Equal Taxation League, Haller Building, Seattle, Wash. C. H. Shields. Anti Single Tax Association, 508 Massachusetts Building, Kansas City, Mo. Land Owners Protective Association, 1401 Waldheim Building, Kansas City, Mo. E. B. Silvers. Home Rule in Taxation League, 516 American Bank Building, Los Angeles, Cal. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work....
