

British Genocide and War: Executive Intelligence Review; Volume 43, Issue 4 (Paperback)

By Lyndon H Larouche Jr

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. The Immediate, Grave Danger Of Genocide Jan. 14The United States and the world are facing an immediate grave danger. President Obamas State of the Union address demonstrated that he is completely out of control, Lyndon LaRouche said today. The speech was a total fraud, and anyone accepting Obamas lies is opening the United States up for total destruction. On behalf of the British, Obama is ready to blow up the United States altogether. This is an immediate option. The issue of Wall Streets crimes is actually a cover for the fact that the United States as a whole is being set up for genocide. This is the British policy of genocide, and the current Pope has been thoroughly suckered into it. It is not just Obama who is doing the killing; Obama is only the lead dog. Its the British, the British Empire. And of course people are frightened; maybe theyre not frightened enough. But in any case, we have to tell the truth. The planned genocide is the secret of the massive COP21 "climate-change" conference...

Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
