## A Brief History of Science with Levity (Paperback)

By Mike Bennett

Troubador Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 198 x 127 mm. Language: N/A. Brand New Book. In an attempt to highlight the severity of the appropriation and manipulation of science and technology, Mike Bennett investigates the history of both from a revolutionary new perspective. He takes a unique look at the combined history of science and technology, detailing examples of manipulation of ground-breaking science by the intelligence community. One such example is that of Wernher von Braun. When he was taken to America in 1945, it was kept from the general public that von Braun was a Major in the SS, reporting directly to SS General Hans Kammler, who had been using slave labour from the concentration camps to build V2 rockets. Kammler's achievements and the towering advances made by his group of scientists and engineers were truly ground-breaking and the security system that he put in place to surround and protect these operations was never broken. This marked the start of what we now refer to as black project operations, and the system has since been replicated worldwide. Focussing on the manipulation of technological advances, A Brief History of Science with Levity encourages readers to look...
