### Reviews

*This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book. (Trystan Yundt)*

Excerpt from The Fireworshippers and Dermot McMurrough: Two Dramas Zorotus. - [The Priest of Fire, discovered at the Altar of the Great Temple of the Sun performing the rites of worship, the sacred fire burning before him, talking to himself]. O, thou invisible spirit of life! Dost thou dwell in the flame, or art thou in the winds that bear health and strength throughout the world. The sun riseth, and the darkness, with its attending demons, flee before it. The birds and beasts of the field waken in gladness at his coming, and man riseth refreshed and hasteneth to his labour. Without thee the earth would be a dark and barren desert. Thou art the source of life, and of all that live or move or creep. O, thou spirit of life, incomprehensible! My soul longs to love and know thee. Now do I the service of the temple, and hence will I take of this fire to warm and feed the people. [He goes out with firebrand.] Saber. - [A young man appointed to do the work of the temple service. In the garden of the temple, talking to himself]. Alas, what dire and fatal lot is mine. Doomed in youth s prime to be in all things, but the knowledge that I am not, an old and worn-out priest.
