Reviews

An incredibly great book with perfect and lucid answers. Better than never, though I am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Brand New Book ***** Print on Demand *****.Amber wakes up to find herself imprisoned within a small basement inside her best friend s house. She wonders where she is and tries to escape the place and as she was about to run away from Ariana s boyfriend, Amber s lover, shows up looking for her, the latter was hiding and when the situation turned out to be dangerous, she came out to find her boy friend and Ariana s boyfriend fighting. She tries to calm down the situation but the man who was capturing her pushed Felix from upstairs. Amber calls the emergency medical team and accompanies her boyfriend to the hospital but when Felix s mother heard about the accident, she accuses Amber that she was the one who pushed her son and the girl finds herself questioned for two days for a killing trial. However, her best friend Ariana Shows up with her boyfriend and convinces him to confess his crime. Thus, Amber was found innocent then she was released and as soon as she came out of the interrogation room, she came back to the hospital to check on her sister and lover but surprised at seeing her sister talking about being scared of an unknown criminal, Amber feels puzzled and lost and goes to check on her boyfriend secretly as his mother finally left but when she enters she hears a human voice inside the room and she figures out that his brother was sleeping under his brother s bed because his step mother refuses to let him visit his young brother. They have a talk then Amber goes back home to look for anything that could help...
