AL: AND AL

Liverpool University Press. Paperback. Book Condition: new. BRAND NEW, Al: and Al, Karen Allen, Al & Al's spectacular computer-generated videos radically re-appropriate contemporary pop culture through an inventive use of celebrity icons, live action performance and animation special effects. The exhibition features a new, large-scale commission developed through the artists' residency at the historically charged Edge Hill railway station, which will be shown alongside two existing works originally made for television. "Al & Al" is the first book to contextualise, the psycho-sexual and social consequences of technology explored in their work, and position their radical practice within a critical and art historical context.
