

## Ethics and Public Policy: A Philosophical Inquiry

By Wolff, Jonathan

Routledge, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: 'Wolff's book will benefit anyone (student or professional) who wants to know more about how good moral philosophy can make a valuable contribution to decisions about public policy. It is worth remembering that Wolff's objectives are ones that we all have a stake in (if not as philosophers, then at least as potential victims of bad policy-making). Wolff is to be applauded for making a valuable contribution to progress in such important areas.' Notre Dame Philosophical Reviews 'This is the book we have been waiting for: a treatise on the ethics of public policy by a major political philosopher. An ideal text for a course on practical ethics, or on contemporary social problems: understandable but not at all dumbed-down.'- Daniel Wikler, Harvard University, USA 'A first-class examination of where philosophy meets public policy by one of the leading political philosophers today. I have no doubt that this book will set a new benchmark for all future work, as well as offer a substantial contribution to policy analysis. I cannot recommend it highly enough.'- Thom Brooks, Newcastle University, UK 'Not only does Jonathan Wolff provide...
