An ordinary man would fear the realm of the unknown. An extraordinary boy would conquer it. Enemies can come from a different country, different continent or even a different planet, but what if they came from a different Universe? When a freak space phenomenon threatens to tear open the ancient seals of the Universe, teenage rookie Q and his crew are told to head out and gather vital data on the situation. What they weren't told is they wouldn't be coming back. Thrilling, adventurous and action-packed, ConQuest promises to be a page turning read that'll always keep you guessing. Book 1 of the #1 bestselling Space Opera series, The Quest Saga Author interview Q - So what makes the Quest Saga so special? A -What makes this series special is that it dares to go beyond cultural norm, and fuse together fantasy and science fiction - an ideal that only Star Wars has pulled off so far. Overall this is an action packed adventure that promises to be exciting and thrilling on...
