Caesarea to Jerusalem, Journey to the Cross documents the life and ministry of Jesus from the moment He is identified by Peter as the Christ at Caesarea Philippi until He enters the city of Jerusalem. This book uniquely puts into perspective things Jesus does in preparation for giving up His life, things which on the surface appear to have no connection. Among these is the bestowing of His peace upon the disciples, the appropriation of a colt upon which to enter Jerusalem, sharing of a final meal with the disciples, a session of prayer so intense that He sweats drops of blood, and the performance of things the people believe only God or someone sent from God could do, such as give sight to the blind, heal the lame, raise the dead, and tell people things about their lives that He would have no way of knowing unless He is who He says He is. Messiah.
